- 7- External battery case (+double-sided tape)

Up to 13h ride and 800m range !

Connect several devices thanks to Bluetooth 5.0 technology and enjoy fluid conversation with DynaMESH connection : say goodbye to disconnection issues whenever a rider leaves and enjoy pairing with your friend in a single touch !

Stay focused on driving !

At Scorpion we believe that an intercom is an accessory that should make your driving experience easy and smooth : no more crackling and inaudible dialogue, welcome HD speakers in your helmet ! Boost 2.0 speakers are equipped with an equalizer, a bass booster and a balance to adjust the sound easily via the dedicated Scorpion smartphone application both available on iOS and Android. Moreover, uClear patented dual microphone and noise reduction system will filter wind and parasite noises to transmit your voice only.

Enjoy your ride with music !

Multitasking audio technology enables you to listen to your music and to share it with your mates while adjusting the volume to the vocal chat and with your GPS instructions.

High quality product, the EXO-COM is a waterproof IPX5 certified device and its warranty lasts for 2 years.

Discrete, it only weighs 78g for 80x35x15mm dimensions.

Designed for your helmet, the EXO-COM integrates itself perfectly in your EXO-520 AIR and your EXO930 : it is preinstalled if you purchase the helmet in its SMART version and easy to install if you buy it separately. The EXO-COM is also designed for an easy and aesthetic mount on your EXO-S1, EXO-HX1 and EXO-TECH CARBON with the mounting kit.
