

FIND YOUR **LIMITS** 

SCORPION EXO:

# Since sixteen years Scorpion EXO™ has been dedicated to offering high quality, innovative motorcycle helmets at an incredible value.

Some of the world's best helmet designers spend countless hours developing and testing Scorpion EXO<sup>TM</sup> products to ensure that each and every Scorpion EXO<sup>TM</sup> Helmet will surpass user expectations. Pulling R&D from some of the top riders in the world, from MotoGP all the way to the Dakar Rally, Scorpion EXO<sup>TM</sup> is committed to listening to your needs.

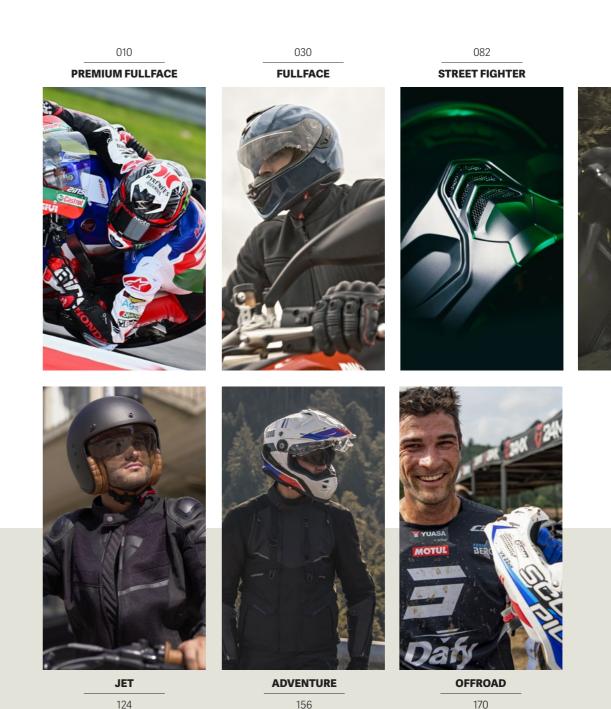

At Scorpion EXO<sup>™</sup> we are dedicated to providing premium quality safety products you can rely on, we live for our brand from start to finish and we ride the same streets that you do. At Scorpion EXO<sup>™</sup> our brand is more than just a logo, it's a lifestyle.

#### Our mission

Scorpion exists to challenge the status quo of the commodity market with innovative and intelligently designed products that change the way people think about their gear.

#### **Our identity**

At Scorpion we believe that quality, value, and profitability are not mutually exclusive. We create products that enhance our customer's experiences and change the way they think about their gear. Every day we strive to destroy boundaries. We are committed to the fundamental principles of partnership, profitability, and progress. We believe in sustained profitability through mutual growth and dedicated communication. Our team is our core strength, and customer satisfaction is our core focus. Our Brand is more than just a logo.

#### AN INTERCOM TAILORED FOR YOUR **SCORPION HELMET**

Scorpion and uClear experts worked closely to create the perfect intercom for your Scorpion helmet: the EXO-COM. Lightweight, well designed and easy-to-install, the EXO-COM integrates Bluetooth 5.0 technology allowing you to connect several devices at the same time (smartphone, GPS, mp3 player...). Thanks to the DynaMESH communication network, you can chat up to 4 riders without being interrupted by the departure or the arrival of one of them: no more need to stop to reconnect everyone with the group, a single push is enough for your entire trip!

#### Stay focused on driving!

At Scorpion we believe that an intercom is an accessory that should make your driving experience easy and smooth: no more crackling and inaudible dialogue, welcome HD speakers in your helmet! Boost 2.0 speakers are equipped with an equalizer, a bass booster and a balance to adjust the sound easily via the dedicated Scorpion smartphone application both available on iOS and Android. Moreover, uClear patented dual microphone and noise reduction system will filter wind and parasite noises to transmit your voice only.

#### Enjoy your ride with music!

Multitasking audio technology enable you to listen to your music and to share it with your mates while adjusting the volume to the vocal chat and with your GPS instructions.

The EXO-COM warranty last for 2 years. Discrete, it only weights 78g for 80x35x15mm dimensions. Performant, you will benefit from a 15h autonomy and up to 800m range!

Designed for your helmet, the EXO-COM integrates perfectly in your EXO-520 EVO Air, EXO-930, EXO-230 and ADX-2: The speakers with dual microphones are preinstalled when you purchase the helmet in its SMART version of those helmet models and easy to install if you buy it separately. The EXO-COM is also designed for an easy and aesthetic mount on your EXO-S1 and EXO-HX1 with the optional Mounting Adapter kit.

EXO-COM COM-001

#### INBOX

- 1- EXO-COM Controller Bracket
- 2- Battery
- 3- Boost 2.0 speakers with integrated microphones
- 4- Quick user guide (you can download full guide from our website)
- 5- USB-C cable
- 6- Mounting adapter (+double-sided tape)
- 7- External battery case (+double-sided tape)

FXO-Com Supported ScorpionExo Helmets (when used with Universal Mount Kit) are: EXO-S1, EXO-HX1, EXO-TECH CARBON

Quick and easy EXO-COM set up thanks to dedicated "EXO-COM" smartphone application available for iOS and Android.

# Ш × Ш

The Pinnacle of Performance: Scorpion proudly presents the EXO-R1 EVO Air, a MotoGP & WSBK tested helmet that embodies excellence. Its beautiful and super lightweight TCT Ultra shell sets the standard for unrivaled quality and performance.

Masterfully Engineered: The shell sculpture of the EXO-R1 EVO Air is designed with precision and aerodynamics in mind. Experience minimal buffeting as you effortlessly slice through the air. Amplified ventilation is achieved through a large top vent that efficiently draws in fresh air, while exhaust vents effectively expel hot air, keeping you cool and composed.

#### **SCORPION EXO**®

If you are in a search for a cool, stylish looking full face helmet, yet versatile and rational, the EXO-491 is the best option for you.

EXO-491 is a fully qualified successor of the popular EXO-490, coming with all advanced features and fuctions. It utilizes Scorpion's multi-layer EPS and carries ram-air vent system providing substantial in and out airflow, MaxVision® (Optional) face shield prepared for a wider field of view, Kwikwick® C moisture wicking fully removable and washable liner is a bonus, and built-in SpeedView® drop down sunvisor.

Just More than You Ask. If you're the one who enjoys daily riding with diverse features and looking for the most reasonable helmet, the EXO-491 will be your favorite.

#### **CHARACTERISTICS**

#### **ECE R22.06**

#### **Injection Molding**

**Ellip-tec** - Easy, Secure, tool-less visor changes in seconds. Pulls the visor back against the eyeport gasket during closure to ensure a proper seal.

**Speedview** - Retractable Sunvisor - treated with antifog on both sides.

**Pinlock Maxvision** - Pinlock® 100% Max Vision® ensures a 100% fog free vision. The anti-fog insert lens is placed in the ScorpionEXO™ face shield w/tearoff posts, providing maximum visibility (optional accessory).

#### **Quick Release/One Touch Buckle**

**Kwikwick C** - KwikWick® anti-microbial fabric keeps you cool and dry in warm weather, warm in cool weather Liner is easily removable and washable. The KwikWick® have 3D cheek pads.

# COVERT FX

#### **Another Originality & Speciality**

The Creator of the original bad-ass Covert/Combat Motorcycle Helmet has now developed a full-face version, the Covert FX! The Covert FX displays the same edgy style and function that is expected from the ScorpionEXO® Covert/Combat Series.

However stylish the details may be, they have important functions. Each helmet is carefully hand-crafted using the latest fiberglass, aramid, and polyresin fibers which provide superior strength and extreme lightweight.

The low-profile shell has been aerodynamically tuned for motorcycle riding, minimizing both lift and turbulence for a smoother, quieter, and more stable ride. Integrated speaker pockets make it easy to install your favorite Bluetooth® communication device, while the KwikWick 3 comfort Liner features a moisture-wicking material that will keep you cool, dry, and comfortable during your ride. ScorpionEXO® continues to set the new standard when it comes to value in a motorcycle helmet by including a Free Dark Smoke Shield, as well as a Clear shield, right out of the box.

If you're looking for a Stylish and Functional motorcycle helmet that's perfect for both city commutes and long-distance touring, look no further than the Covert FX.

# **CHARACTERISTICS**

#### **Ready to Fight Tonight**

True Bad-ass is back! Loved by celebrities. Enjoyed being on the blockbuster movie screens.

The new EXO-Combat II is back with an even more aggressive design and radical look! Improved fitment, enhanced noise-reduction and an optically improved sun visor are just a few of the improvements over the previous EXO-Combat Helmet.

The new 2-Piece design allows the rider maximum airflow by converting to an open-face style helmet when needed.

Attach the mask to complete the aggressive 'bad-ass' look or just to add a little protection from debris, noise, and weather. Integrated speaker pockets make it easy to install your favorite Bluetooth® communication device, while the KwikWick comfort Liner features a moisture-wicking material that will keep you cool, dry, and comfortable during your ride.

The original EXO-Combat "Bad-Ass" was no easy act to follow. The EXO-Combat II not only represents a true evolution, but it also lays waste to all the wannabes who've tried to follow in the Original EXO-Combat's wake!

# PREMIUM CHOICE

# For those Serious and Chic

The all-new ADF-9000 Air was engineered to meet the demands of the serious Adventure Rider by striking the perfect balance of features and benefits for both on and off-road. Each helmet is carefully hand crafted using the latest TCT Ultra Technology, providing superior strength and light-weight.

The Exolon® Peak Visor features a special shatter-resistant material that is built to help prevent shattering. In addition to its unique material, the peak visor's aerodynamics were designed to help keep buffeting to a minimum when riding at high speeds. If the highway is your primary terrain, or if you're riding away from the sun, the peak visor can be easily removed by loosening the peak visor bolts by hands.

When your adventures take you off-road where goggles are preferred, the face shield features a tool-less system allowing you to easily and quickly swap your shield for goggles. The wide eye port allows for greater peripheral vision and accommodates most sizes and brands of goggles.

Another unique feature only seen in ScorpionEXO® helmets is the Airfit® liner inflation system, which allows you to customize the fit of your cheek pads, which also helps significantly reduce wind noise, buffeting, and lift. Whether you're traveling the globe or riding casually, the ADF-9000 Air was built to provide you with the comfort, safety, and confidence needed to take on any terrain; making it a true All-Road, All-Weather helmet!

# CHARACTERISTICS

Airfit - Inflatable cheek pad system for superior personalized fit.

#### **ECE R22.06**

**Ultra TCT** - Developed by Scorpion EXO™, revolutionary new pre-preg technology offers unrivaled protection. Extremely light, digressive integrity on impact absorbs more energy.

**SCORPION EXO**®

When your rides regularly take you on and off road, it's time to consider Scorpion's new Modular Adventure Helmet ADX-2, the newest offering in Adventure helmets, is an allinnovative design and features over others.

Versatility with P/J double homologation and optimal functions for riders who intend to touring, adventure or even dirtbike, regardless of the riding conditions, ADX-2 is fully geared for all you desire.

Hyper-flexible adventure/dual sports modular helmet leads to all of the benefits with conveniently fliping-up the chinbar for a short break time, or swapping the face-shield to goggles for a serious dirtbike experience and also simply removing external peak visor for a better aerodynamic touring purpose.

# CHARACTERISTICS

#### **ECE R22.06**

#### **Injection Molding**

Pinlock Maxvision included - Pinlock® 100% Max Vision® ensures a 100% fog free vision. The anti-fog insert lens is placed in the ScorpionEXO  $^{\!\mathsf{TM}}$  face shield w/tearoff posts, providing maximum visibility.

# /X-16 EVO AIR

# Feel the brand-new differences in design and fitment.

VX-16 Air inherited the great features of VX-15 series such as AirFit, large eyeport, removable mouth vent, and peak visor extension, while it offers improved fitment with lasercut 3D contoured cheek pads, larger chin room to breathe more comfortably, and lighter weight thanks to Scorpion's advanced thermoplastic shell.

Also it does not miss the a-la-mode design trend in current offroad helmets. The VX-16 Air will write another page in Scorpion's offroad helmet history.
